Let Jesus Occupy Your Heart T-Shirt Design

This is The Christian Witness, Inc.'s outreach to raise funds for WMUG by selling T-shirts with a message of allowing Jesus to occupy our hearts. This is in response to the Occupy Wall Street Protests across the country and around the world.

We feel the answer to man's problems is in Jesus Christ alone. Our prayer is that we allow Him to occupy our hearts as individuals then we will be changed by His Holy Spirit and develop a Christ like character.

If we do, then there good character will exist in our home, good character in our community, good character in our country and good character across the world.

It must start with knowledge of the Gospel message, which we will endeavor to spread through any, and all means possible.
